Attendance and Punctuality:

Daily attendance is not only required by law, but is one of the major factors contributing to success at school. For that reason, we have set the following guidelines:

Absence:

- Parents must phone the school when students are absent **AND** a written note from the parent/guardian is also required to justify any absence.
- Upon return the students must present, at the main office, the parent note justifying their absence.
- Students are prohibited from participating in any school activity on a day that they are absent.

Early Dismissal:

- Parents/guardians must cover each early dismissal with a note specifying date, time etc.
- Students must also present the note at the main office, on the morning of the early dismissal.
- In the case of unexpected early dismissal, students must sign-out at the Main Office, where parents will be contacted. A note, from the parent /guardian must be brought to the main office upon the return of the student to school.

Late Arrival:

- Parents must cover each late arrival with a note, specifying arrival time, etc...
- After 9:07, students must sign in at the office and receive a late pass for admittance into class.
- Students are expected to make up for lost time for any lateness that is not justified or is not covered by a note from the parent, by serving detention. Missing detentions will result in a school suspension.

Skipping Class:

- Skipping classes is prohibited.
- Students will be expected to make up time in detentions.
- Students who skip detentions will be suspended.

**FAILURE TO COMPLY WITH ANY OF THESE GUIDELINES WILL RESULT
IN DETENTION(S), SUSPENSION AND/OR EXPULSION.**

Consequences for unacceptable behaviors:

In working with students who are unable to accept their responsibilities, the administration will impose consequences for behavior based on the severity and/or repetitive nature of the behavior, as well as the circumstances of the situation. It should be noted that sanctions are applied with the understanding that the long term goal is the rehabilitation and reintegration of the student who commits an offence, but that the safety of all students is always the primary focus.

The consequences may include, but are not limited to:

- Discussion – conference with student(s); phone call and/or letter to parent(s)
- Counselling
- Removal of privileges
- Community service
- Detention(s)
- In-school suspension/Student Study Center
- Serving all or part of the suspension at another Lester B. Pearson School.
- Out-of-school suspension(s)
- Transfer to another school
- Expulsion

In situations where students behave in ways that are against the law, the appropriate outside agency will be called in for assistance.
